

PRODUCT

Cacteen Balancing Moisturizer With Cactus, Olive and Bisabolol

FUNCTIONS

This moisturizer will balance surface lipids and water with the healing properties of Prickly Pear cactus and the fatty acids in olive oil. Bisabolol acts as an anti-inflammatory to soothe irritated or sensitized skin.

RECOMMENDED

Normal/combination skin and sensitive skin.

HOW TO USE

Use daily morning and night to hydrate the skin. Apply after cleansing and exfoliating the skin.

BENEFITS

- Normalizes Water/Oil Balance
- Soothing and Calming
- Anti-inflammatory

ACTIVE INGREDIENT PROFILE

AquaCacteen® (Opuntia Ficus-Indica (Cactus) Stem Extract) is rich in essential amino acids, antioxidants and water-binding polysaccharides. It hydrates, smoothes, and protects from environmental stress.

Olivem® (Cetearyl Olivat, and Sorbitan Olivat) is a combination of fatty acids that is able to both restore and maintain the integrity of the skin barrier.

Sodium PCA Sodium PCA Sodium (NA) Pyrrolidone Carboxylic Acid (PCA), component of the skin's natural moisturizing factor (NMF) has a very potent hydrating and moisturizing power, nonirritating, non-allergenic, humectant with moisture-binding ability.

Bisabolol (L-Alpha) acts as an anti-inflammatory, promotes wound healing, reduces sensitivity, alleviates heat while soothing skin irritation.

Phenyl t-Butylnitrone (Spin Trap) is a highly active oxygen/nitrogen complex, considered an "intelligent" antioxidant, instead of destroying free radicals, it traps them, transforms them into useful oxygen, and then transports them back into the respiratory cycle.

Phycocyanin is a natural blue pigment derived from Spirulina, a blue-green algae, with antioxidant and anti-inflammatory properties.

SIDE NOTES

Avoid contact with eyes. Flush completely if contact occurs.
Always use sun block when using this product due to the essential oil content.

FORMULA COMPOSITION

Aqua (Water), Glycerin, Caprylic/Capric Triglyceride, Cetearyl Olivat, Sorbitan Olivat, Squalane, Triisononanoil, Cholesteryl Oleyl Carbonate, Cholesteryl Chloride, Cholesteryl Noanoate, Phenyl t-Butylnitron (Spin Trap), Opuntia Ficus-Indica (Cactus) Stem Extract, Spirulina Platensis (Phycocyanin) Extract, Tocopherol (D-alpha) , Glycine Soja (Soybean) Oil, Aloe Barbadensis Leaf Juice Powder, Sodium PCA, Bisabolol (L-alpha), Lonicera Caprifolium (Honeysuckle) Flower Extract, Lonicera Japonica (Honeysuckle) Flower Extract, Xanthan Gum, Carbomer, Caprylyl Glycol, Sodium Hydroxide, Phytic Acid, Acetyl Tributyl Citrate, Phenoxyethanol, Potassium Sorbate, Sorbic Acid
